

Q1 The Ultimate Receipt Printer

Q1 is specially designed for high-volume retail applications and, with its charming design, it blends in perfectly with any kind of POS environment.

Q1 is a high-technology printer equipped with three patented systems, including the autocutter with rotating disc (belt drive) that guarantees high reliability and more than 1,000,000 cuts.

Q1 is available in two attractive case colour versions: shiny milk white and bright black.
