DETECTO

Detecto offers a full line of lightweight and portable digital bariatric scales. A balanced design and large, heavy-duty rubber wheels make them easy to transport. They each feature skid-proof and soft, but durable black rubber mats and extra strength wrap-around tubular stainless steel handrails with padded foam hand grips for patient stability and assurance. The digital indicator is the industry's most advanced, with easy-to-use "quick weigh" keys, plus Body Mass Index calculation and serial connectivity.
